Entertainment

**Overview**

Eagle's Talent is a talent-placement bureau that specializes in connecting celebrity and motivational speakers with organizations and event-planners that will benefit from their services. They offer a variety of genres and speaker-types and work one-on-one with their clients to find the best match for their upcoming event.

**Project Summary Highlights – Web Design & Development**

- Engaging Custom Design
- Mobile Site Development
- Custom CMS Upgrades
- Drag-and-Drop Speaker Interface
- A/B Testing
- User Experience Enhancements

**Overview**

"WebiMax did a wonderful job working with us throughout the design process for our Eagles Talent Speakers Bureau webiste. Marc Cornish and his team did an outstanding job of laying everything out from A-Z. He really listened to our needs and guided us to success. I would highly recommend Marc and WebiMax for any website work."
